

Pokeymon

The Text Based Adventure Game

StoryLine:

You live in Keebored City and you desire to prove yourself as a real pokeymon trainer. One day, you find out that the professor wants to talk to you. You are excited and he decides to give you your first pokeymon so that you can catch more and become the greatest pokeymon trainer ever! To become the grand champion you must battle with and train your pokeymon. You must battle all 3 gym leaders, the guard at the gate, and the assistant to the secretary to the grand champion, the secretary to the grand champion, and finally, the one, the only, the amazing, the awe-inspiring, the Grand Champion Matthew Sheppard! If that isn't enough battles for you, there are plenty of other people willing to battle you. If you are lucky(or maybe unlucky) the mighty Crockett will appear and ask to fight you. Beware, for if you refuse to battle him, he will begin to hack your screen and fill it with random binary digits. If you defeat him, he will give you a super powerful Almighty Asterisk. This is the only way to get one of these pokeymon, as they cannot be found in the wild. Start your adventure, with Pokeymon!
